Participant Disclosure Form

The Operating Committees of the Consolidated Tape Association ("CTA") and Unlisted Trading Privileges ("UTP") Plans, charged with overseeing the operations of the CTA and UTP Plans, are composed of the national securities associations and national securities exchanges that submit trades and quotes to the Plans, known as the Plan "Participants."[1] The Participants work through designated representatives, or alternate representatives, who are authorized to act on the Participants' behalf. To enhance transparency in Plan governance, the Participants submit the following voluntary disclosures.

The Participants intend to update these disclosures annually, or whenever there is a material change to any disclosure, whichever is sooner.
