Disaster Recovery Policy

Vendors may activate back-up systems, networks, or facilities to be used solely in the event of a primary system outage or natural disaster. In the event of a temporary activation of CTA data due to disaster recovery, any duplicate usage fees will not be charged. Vendor will need to notify the CTA Plan Administrator of such event, and provide details surrounding the activation of any CTA data.

This fact sheet is a summary document intended to set forth the highlights of CTA/CQ policy, rates, and procedures. Questions and/or circumstances not covered in this document should be referred to NYSE for the determination of applicable fees and procedures.
