

Participant Disclosure Form

NYSE American LLC

Participant(s):

- Is the Participant's firm for profit or not-for-profit?

The Participant is a subsidiary of a for-profit firm

- If the Participant's firm is for profit, is it publicly or privately owned?

Publicly owned

- If privately owned, list any owner with an interest of 5% or more of the Participant, where to the Participant's knowledge, such owner, or any affiliate controlling, controlled by, or under common control with the owner, subscribes, directly or through a third-party vendor, to SIP and/or exchange Proprietary Market Data products.

- Does the Participant firm offer real-time proprietary equity market data that is filed with the SEC ("Proprietary Market Data")?

Yes.

- If yes, list each product, describe its content, and provide a link to where fees for each product are disclosed.

Each product is described here: <https://www.nyse.com/market-data/real-time>

Fee schedules for each product are linked on this page:
<https://www.nyse.com/market-data/pricing-policies-contracts-guidelines>

- Provide the names of the representative and any alternative representatives designated by the Participant who are authorized under the Plans to vote on behalf of the Participant. Also provide a narrative description of the representatives' roles within the Participant organization, including the title of each individual as well as any direct responsibilities related to the development, dissemination, sales, or marketing of the Participant's Proprietary Market Data, and the nature of those responsibilities sufficient for the public to identify the nature of any potential conflict of interest that could be perceived by a reasonable objective observer as having an effect on the Plan. If the representative works in or with the Participant's Proprietary Market Data business, describe the representative's roles and describe how that business and the representative's Plan responsibilities impacts

his or her compensation. In addition, describe how a representative's responsibilities with the Proprietary Market Data business may present a conflict of interest with his or her responsibilities to the Plan.

Josh Burch, Head of Exchange Products -- Manages product rollout on all NYSE Group Equity and Option exchanges and leads strategic direction with respect to product growth efforts. No compensation that is directly tied to the Proprietary Market Data business or other relevant conflicts.

Robert Turtoro, Director NYSE Trading Operations -- Manages Trading Operations Desk Support for all NYSE Group equity exchanges. No responsibilities with respect to Proprietary Market Data.

- Does the Participant, its representative, or its alternative representative, or any affiliate have additional relationships or material economic interests that could be perceived by a reasonable objective observer to present a potential conflict of interest with their responsibilities to the Plan?

No

- If so, provide a detailed narrative discussion of all material facts necessary to identify the potential conflicts of interest and the effects they may have on the Plan.
