

## Managed File Transfer (MFT) Request Form

## Instructions

## Vendor Instructions:

- Complete the Vendor Information and Set Up Sections of the NYSE Managed File Transfer (MFT) Request form.
- Upon completion of the MFT form, select the 'Click to Sign' button at the bottom of the form. A pop up will appear to 'Enter Your Information', please provide the Vendor Contact **Group** Email<sup>1</sup> and select 'Click to Sign'. This step must be completed to send the MFT request to UCert Compliance.
- Once credentials are provided, validate access to the Managed File Transfer (MFT) portal.

For future technical support, post setup, please contact [Support@NYSE.com](mailto:Support@NYSE.com)
